Greetings,

Since 1969, NABA has addressed the professional needs of African Americans in an effort to maximize their career potential in the accounting profession. One of our primary objectives is to encourage and assist minority students in entering the accounting profession and the corporate environment.

As part of our program, we provide scholarships to qualified high school seniors and collegiate NABA members to assist them in continuing their education and to reward them for academic excellence and service. It is the scholarship committee's duty to promote these scholarships and encourage students to participate in the application process.

Enclosed you will find a copy of our 2017 scholarship application. Applications will be accepted from minority high school seniors interested in majoring in Accounting, Finance, or other business field of study and/or current collegiate NABA members. Award amounts range from \$250 to \$5,000 and will be paid directly to the scholarship recipient.

Scholarship winners will be awarded during NABA's Annual Scholarship and Awards Gala on **Saturday, May 8, 2017**. All scholarship awards are provided through the Houston Metropolitan Chapter of NABA's endowment fund as well as generous contributions from local companies and organizations.

For further information, questions, and/or concerns regarding NABA or its scholarship program, please contact Amy Earle by email at amy.earle@invesco.com or by phone (832) 372-4338.

Sincerely,

Amy Earle
2017 NABA Houston Scholarship Committee Chair
